To PAUL/EPA & ALL CONCERN:

GREETINGS & HOPE THIS FINDS YOU ALL DOING FINE. I AM WRITING TO ADDRESS SOME CONCERNS I HAVE THAT I WOULD LIKE TO BRING TO YOUR ATTENTION AND REQUEST YOUR INVOLVEMENT IN THIS MATTER.

MY FIRST CONCERN PAUL, ARE THE BANKS OF THE KOOTENIA RIVER BEING CONTAMINATED WITH TREMOLITE ASBESTOS AND THE CORP. OF ENGINEERS RELEASE OF WATER AND ITS EFFECTS ON CONTAMINATING OTHER AREAS FURTHER DOWN THE RIVER SO WHEN THE RIVER RESIDES, WILL LEAVE ASBESTOS ON ITS BANK FOR THE WIND TO CARRY IT OFF, WHO KNOWS WHERE ?? NOT TO MENTION CONTAMINATING THE FISH AND THE RIVER ITSELF, ACTUAL.

THE AMOUNT OF ASBESTOS THAT CAME FROM THE MINE AND OFF THE BELT ACROSS THE RIVER THAT ENDED UP IN THE RIVER AND BANKS CAN ONLY BE IMAGINED BY THE YEARS AND TONS OF DUST CREATED FROM THE MINE. THIS IS A KNOWN FACT.

I FEEL THE AMOUNT OF CONTAMINATION ALONG THE BANKS OF THE KOOTENIA RIVER OF TREMOLITE ASBESTOS, WARRANTS THE ISSUE OF FURTHER CONTAMINATION. UNTIL THE CONTAMINATION IS DEALT WITH, ALONG THE BANKS OF THE KOOTENIA RIVER, TO RAISE THE WATER TO DISTURB THE CONTAMINATION TO CONTAMINATE OTHER AREAS, NEEDS TO BE MADE A PRIORITY AND CONCERN.

PAUL, THE CONTAMINATION OF THE RIVER, AS YOU KNOW, IS A ISSUE AND I'D LIKE TO KNOW WHAT HAS BEEN DONE TO ADDRESS THIS CONCERN.

And my other concern is the contamination of our schools and what plans are their for addressing clean-

UP. AS YOU KNOW PAUL, WITH MY "EXPERTISE" IN COMMON SENSE AS A TREMOLITE ASBESTOS EXPERT, I FEEL A PRIORITY TO CLEAN OUR SCHOOLS WHILE THE CHILDREN ARE ABSENT, TO ENSURE A SAFE & HEALTHY ENVIRONMENT FOR THE CHILDREN, BEFORE THEY ENTER THE BUILDINGS & GROUNDS AGAIN. I DO REALIZE THE JOB YOU HAVE ALREADY, I JUST WANTED TO DISCUSS THESE ISSUES WITH YOU, WHICH I FEEL ARE VERY IMPORTANT ALSO AND AGAIN, TO REQUEST YOUR DEPT. INVOLVEMENT.

PLEASE KEEP ME INFORMED OF YOUR INVOLVEMENT IN THIS MATTER AND I SHALL AWAIT YOUR REPLY.

THANK YOU FOR YOUR TIME & CONCERN IN THIS MATTER.
TAKE CARE.

Sincerely

Michael Cull
